

This Nondisclosure Agreement (the "Agreement") is entered into by Southern Nevada Anthropomorphic Events (SNAE) aka Las Vegas Fur Con ("LVFC," or the "Event") and _____ (the "Receiving Party") for the purpose of protecting the privacy of Event, attendees, and volunteers, the Receiving Party is prohibited from disclosing personal information (the "Confidential Information") about Event, attendees, individuals, and volunteers (the "Subjects" of the Confidential Information).

Definition of Confidential Information

For purposes of this Agreement, "Confidential Information" shall include all forms of personal information about Subjects attending or in any way involved with the Event, including but not limited to: names, pseudonyms or aliases, personally identifiable information, or license numbers, email and physical addresses, telephone numbers, social media and messaging service identifiers, emergency contact names and telephone numbers, medical information and any other personally identifiable or identifying information provided by a Subject to any staff, volunteer, automated system or other representative of the Event in the course of the Subject's involvement with the Event.

Aggregations of any kind of Confidential Information shall be regarded as Confidential Information subject to this agreement. This includes but is not limited to the relationship or non-relationship between pieces of Confidential Information, such as the fact that an individual who goes by one name is or is not the same person as a different name, or that a person owns or does not own a given property or social media account, or that a person (on any basis other than the name an Event participant chose to be publicly identified as in the context of their involvement with the Event) is or is not an Event participant.

Exclusions from Confidential Information

The Receiving Party's obligations under this Agreement do not extend to information that is: (a) demonstrably known by Receiving Party prior to Receiving Party's first involvement with the Event; or (b) learned entirely outside of any involvement with the Event with demonstrably no utilization of or reliance upon any Confidential Information covered by this Agreement.

Obligations of Receiving Party

The Receiving Party shall hold the Confidential Information with the utmost confidence for the benefit of the Event, and the Subjects of the information. The Receiving Party shall make no note, record, or copy in any form of any Confidential Information encountered during its involvement with the Event except as required to complete a duty or task for the Event. At the earliest opportunity (no later than the conclusion of the Event for any given year), or immediately upon demand from the Event, the Receiving Party shall destroy or surrender to the Event all copies of any Confidential Information.

The Receiving Party shall not disclose or offer to disclose any Confidential Information to any third party (including to other Subjects, including Event staff and volunteers) except: (a) in the event of an emergency during the Event where the Receiving Party has a good faith belief that such disclosure is necessary to ensure the safety of the Subject of the Confidential Information being disclosed; or (b) after receiving written confirmation from the Event that the third party has also executed a Nondisclosure Agreement with the Event. In the event of any disclosures made by the Receiving Party under the exception for emergencies, the Receiving Party shall immediately notify the Event staff in writing of what information was disclosed and what parties it was disclosed to. The Receiving Party is otherwise

expressly forbidden from voluntarily complying with any request, subpoena, or other order seeking or purporting to compel the disclosure of any Confidential Information.

The Receiving Party shall immediately inform the Event staff of such a request or order, and shall cooperate fully with all efforts by the Event staff, or counsel retained at the Event's expense, to contest such a request or order and prevent the sought disclosure.

Injunctions

The Receiving Party acknowledges that any breach of the confidentiality obligations would cause irreparable harm to the Event, and/or the Subjects of the Confidential Information, to the extent of which may be difficult to ascertain solely by monetary damages. Accordingly, the Receiving Party agrees that the Event is entitled to immediate injunctive relief in the event of a breach or threatened breach of an obligation of confidentiality by the Receiving Party, and that the Event shall not be required to post a bond or show irreparable harm in order to obtain such injunctive relief.

Time Periods

The nondisclosure provisions of this Agreement shall survive the termination of this and any other agreements between Receiving Party and the Event, and for each Subject of Confidential Information covered by this Agreement, remain in force for not less than the lifetime of that Subject plus 1 year.

Relationships

Nothing in this Agreement shall be deemed to create a partnership, joint venture, employee, or other similar relationship between the parties to this Agreement.

Severability

If a court with appropriate jurisdiction finds any provision of this Agreement invalid or unenforceable, the remainder of this Agreement shall be interpreted so as best to effect the intent of ensuring the privacy of Event attendees and volunteers.

Integration

This Agreement expresses the complete understanding of the parties with respect to the subject matter and supersedes all prior proposals, agreements, representations, and understandings. This Agreement may not be amended except in writing signed by both the Event and Receiving Party.

Waiver

The failure to exercise any right provided in this Agreement shall not be a waiver of any prior or subsequent rights.

Attorneys' Fees

The prevailing party to any dispute shall have the right to collect from the other party its reasonable costs and necessary disbursements and attorneys' fees incurred in enforcing this Agreement.

Governing Law and Jurisdiction

This Agreement is governed by and shall be construed under the laws of the State of Nevada. The parties submit all their disputes arising out of or in connection with this Agreement to the exclusive jurisdiction of the courts of Clark County, Nevada.
