

Vaccine Raffle

The GCB has approved any raffle for double vaccines if we see fit to implement; ConOps has approved reward badges for showing a post-Sept 2023 COVID-19 AND flu vaccine. This would be an additional layer of incentive for attendees to be up to date on shots. Given the high demand for hotel rooms at Alexis Park, this can be used to add serious weight.

The Chair proposes the following:

- Grand Prize: 1 person wins a comped 4 nights Regal OR Majestic and Attendee registration (cost: \$494+\$80)
- Second prizes: 4 people win guaranteed 4 nights at Alexis Park (no cost)

ConOps would log the person's badge number and winners would be selected after the convention.
